Penis.

That is all.

Isn't talking penis a little off-topic?

I think you will find that Penis is quite a close topic to Balls.

Does Penis not require Vagina? I'm reasonably certain that they would like to meet.... repeatedly. 🙄

I didn't expect this thread to get so long.

The sheer girth of the conversation is astounding.

It appears it has become a throbbing hive of conversation.

The perversion that fills my brain makes me want to giggle at what else could possibly be throbbing. Never can tell with those who creep around and troll the forums. Then again, I shall go back to my gutter 🐱
